Minor in Information Systems
Graduation Requirements Checklist – Fall 2019

The minor in Information Systems is open to all students not majoring in either Computer Science or Information Systems or minoring in Computer Science. To declare the minor in Information Systems, students must complete ISE 108 or CSE101 with a grade of C or higher and possess a cumulative grade point average of 2.80 or higher. The minor requires seven courses totaling at least 21 credits as outlined below:

Number	Title	Grade	Semester
CSE101 (Introduction to Computers)	or ISE108 (Introduction to Programming) or CSE110 (Introduction to Computer Science)		
CSE114	Introduction to Object-Oriented Programming		
ISE218	Fundamentals of Information Technology		
	Four electives, totaling at least 12 credits. Electives must include 9 credits of upper division courses and at least 9 credits of CSE or ISE courses.[1]		
Total Credits			

---

[1] Approved courses include most ISE/CSE courses and other courses relevant to Information Systems. Consult with the ISE Undergraduate Program Director on the suitability of an elective course prior to registration.
